

Sharp 70" Touchscreen Display

Provided by the 19th Judicial Circuit Courts

Sharp Large Format Display

The 70" touch screen display is made available to attorneys appearing before a Judge or Magistrate of the 19th Circuit Courts on a first come-first served basis. It will be the responsibility of the attorney using the device to connect/disconnect the equipment, and return it to its original location after use. To reserve the equipment please send an email to AV-Request@Circuit19.org stating the date, time, location (i.e. Courthouse, Courtroom, and Judge) where the equipment will be needed.

Reservation Requirements:

- Must be reserved a minimum of five (5) Work Days ahead of the requested date of use
- Cannot be reserved more than three (3) weeks in advance
- Equipment is available on a first person to reserve for available time basis
- The user must assume all responsibility for the equipment's use during their presentation
- Questions for equipment use may possibly be answered by:
 - E-mailing the Court Support Help Desk at: CourtSupport@circuit19.org
 - calling the Court Support Help Desk at 772-807-4390

Equipment and Software Provided

Hardware: 70" touch screen display on rolling cart

Turning Power On/Off

Connect the power cord to an available outlet. Point the remote control directly at the TV and press the power button. Wait 2-3 minutes for the computer to boot.

POWER button / Power LED

Status	Status of the monitor
Green lit	Power on
Orange lit	Power off (Standby mode)
Green flashing	Input signal waiting mode

Changing the Input

If you wish to attach your own computer/laptop to the display, you will need to provide the cable, plug in to the appropriate input, and change the input on the device by pressing the “Touch Screen” button on the lower left front of the display and selecting the appropriate input. Please make sure to return it to its original settings when finished. Please note that the touch screen and overlay features will not be available when using your device, it will only function as a large display.

POWER button / TOUCH MENU

Touch Panel/Touch Pen

Common finger and touch pen actions:

Single-tap

Same action as left-clicking a mouse.

Touch with your finger/touch pen.

Drag-and-drop

Same action as drag-and-drop with a mouse.

Touch the screen with your finger or touch pen and move without lifting. When you have finished the movement, lift your finger or touch pen.

Swipe

Touch the screen with your finger/touch pen, move without lifting, and then stop.

Press-and-hold

Same action as right-clicking a mouse. Press briefly with your finger/touch pen, and then lift your finger/touch pen from the screen.

Double-tap

Same action as double-clicking a mouse.

Quickly touch twice with your finger/touch pen.

When double-tapping with your finger, be sure to lift your finger sufficiently off the screen after the first tap. If there is insufficient distance between the screen and your finger, double-tap will not take place.

Slide to pan

With your finger/touch pen touching the screen, move it up and down to scroll the screen.

Right Click

Press and hold for 3 sec.

Zoom

Touch the screen with two fingers and move your fingers closer together to reduce the view, or apart to enlarge the view.
