FILING EVIDENCE

Effective immediately, attorneys are not allowed to submit evidence via e-mail for trials or evidentiary hearings. All attorneys are to e-file all of the evidence **no less** than day prior to the hearing. Attorneys are responsible for verifying that their evidence has been “marked.” Each exhibit needs to be e-filed individually.

The Clerk’s office will be notating the evidence as “not admitted” on the docket line entry prior to the hearing/trial. Once the hearing has been concluded the Clerk’s office will file their Evidence Sheets indicating which evidence has been admitted and will remove the “not admitted” notation on the docket line entry.

COMMUNICATION

If you have any questions about any of your business in Judge Meadows’ Division, please contact out office at hogyac@circuit19.org. DO NOT rely on hearsay, social media, or conjecture about what procedure applies in your case. We will file additional memo(s) updating our procedure(s) as needed.
